 - a) Whenever the County Chairperson is aware of evidence or receives a signed written statement from a member of the DCDC that an elected member of the County Committee:

- (i) has been absent and without representation by proxy for two consecutive meetings of the County Committee, without notifying either the Chair, Secretary or District Leader prior to such absence;
- (ii) is disqualified by Rule I, Section B of these Rules or the Rules of the Democratic Party of the Commonwealth of Pennsylvania to serve as a member of such committee; or
- (iii) has otherwise violated these Rules, committed an act, or failed to perform his or her duties, to the extent that good cause exists to warrant sanction or removal from office,

the County Chairperson shall direct the Executive Committee to conduct a hearing to determine whether or not the member shall be removed from office or otherwise sanctioned.

- b) The member subject to the above proceedings shall receive, at minimum, two (2) weeks prior written notice of the hearing before the Executive Committee, which notice shall contain a statement of the alleged violation(s). He or she shall have the right to examine and cross-examine all witnesses and to present testimony and evidence on his or her behalf to a quorum of the Executive Committee.
- c) After considering all competent evidence presented, the Executive Committee shall vote thereon. A two-thirds (2/3) vote of a quorum of the Executive Committee members hearing the evidence is required for removal.

SECTION J. Vacancies.

Vacancies in the 13 appointed at-large membership of the County Committee shall be filled by the County Chairperson. Vacancies in the elected membership of the County Committee shall be filled for the duration of the unexpired term by the County Chairperson. The Applicable District Leader is

The term of the appointee shall be effective immediately upon appointment by the Chairperson. Notwithstanding the foregoing, no vacancy may be filled during the period of time intervening between the date of the Primary Election and the reorganization meeting of the County Committee, but all vacancies shall be filled as soon as possible after the reorganization meeting.

2. For a municipal election, the District Leader shall coordinate with any local committee chair, if applicable, and for a county election the Elections Committee Chair shall coordinate with the County Chairperson, to take the appropriate steps to find a qualified candidate to fill the vacancy through such methods as recruitment, advertising, and inter-committee interest.
3. The applicable county committee members who represent the voters from the election district, in which the vacancy occurred, shall meet to recommend a candidate to stand for election in the November general election. A simple majority vote is required to choose a candidate to fill the vacancy. When the number of committee members needed to recommend a candidate for a vacancy cannot be met because committee positions are vacant in a ward or precinct, the County Chairperson can appoint others from the same District of that ward or precinct to satisfy this requirement.
4.
